AVAILABLE TO

- A whole population approach.

Delivered via one central gateway into community services across Medway - via the Simply Connect social prescribing platform.

DELIVERY MODEL

1. Simply Connect social prescribing system embedded within VCS & Public Health Care Navigation contracts
2. Professionals from across sectors refer clients directly to community-based services & support via Simply Connect referral platform
3. Link Workers & Care Navigators use Simply Connect case management system to store client data, record case notes, and collect health and wellbeing improvements
4. A co-designed, integrated feedback tool gathers service user's feedback and experience of the services they've been referred to.
