DELIVERY MODEL

1. GPs refer patients who have social, emotional or practical needs to Beacon Service Social Prescribing Service
2. Beacon Service Link Workers assess patient's health and wellbeing needs and co-produce personalised care and support plan, recording all client data in Simply Connect's case management system
3. Link Workers refer patients through the Simply Connect integrated platform into non-clinical local VCF services
4. Link Workers use Simply Connect case management system to record ongoing client case notes, manage case loads, track referral outcomes, and collect and report on patient health and wellbeing improvements
5. Bury VCFA provide additional support to VCF organisations to become sustainable, increase capacity, and develop new services where gaps exist.
